

explore DESIGN create

The Ardmore Public Library connects people with ideas and supports lifelong learning.

Teach yourself to sew with our new Maker kit: Sew a felt cat!

The only thing you need is a pair of scissors and the drive to learn! The kit includes all the material you need to create a felt pocket cat. Check out a book or ebook about sewing or watch videos online to learn how to make knots and stitches, then put your learning to work with the kit.

FREE FOR ALL AGES!

Limit one kit per person.

Show us your completed cat to get a **FREE** adult-level book (while supplies last). Bring it to the reference desk to claim.
