The library loves to highlight our supportive business community, and we are thrilled to be chosen as the local coordinator for Small Business Saturday!!!

We've organized a scavenger hunt featuring local businesses, running from November 26—December 3 (Christmas in Lakeview).

We hope this will be an annual event, so if you know of a local small business that would like to participate in future, please let us know.

Thank you!

1. Sign up at the library and receive your beautiful "Shop Small" signup bag.
2. Collect a "show the love" card from 15 of the 19 businesses listed in this brochure.
3. Return to the library on or before our Christmas Open House on December 3 to collect your finisher prize!
