Rules Regarding Identification

Pennsylvania's voter registration form asks for your Pennsylvania driver's license or state ID number, or the last four digits of your Social Security number.

Pennsylvania does not require voters to present an ID to vote unless you are voting in Pennsylvania for the first time or voting at a new polling place.

Students

Students have a decision about where to register to vote.

You have a right to register to vote at the address you consider the place where you live, whether that is your family's home or the place where you attend school. You should update your registration anytime this home address changes. You may only be registered and vote in one location.
