00:59:18 Do you have a Friends of the Library group?

01:01:00 Love the inspiration!

01:02:08 That's great!

01:02:53 Make total sense.

01:03:36 Strong communities have strong libraries and supporting our libraries is a sound reinvestment!

01:06:30 As a grant reviewer of several programs, I suggest to always paint a clear picture of the goal, tie it to your mission, and include sound measurement tools to show the overall impact. Added value for the win! <https://www.projectoutcome.org/>

01:07:03 Both of the applications were very thoughtful and it was incredible to see their hard work on the backend come to fruition. The specificity of their budgets, need, goals, demographics and community were very thorough. Well done!

01:09:12 Great work everyone, take care!

01:09:48 Useful links -thank you.

01:09:53 Thank you, everyone!
