

# DIY: TERRARIUMS

WITH PROPAGATED  
SUCCULENTS & CREATIVE  
CONTAINERS

---

## CHOOSE YOUR CONTAINER

Re-purpose clear glass, open top containers: spaghetti sauce, pickles, canning jars, etc.

## 1ST LAYER: SMALL ROCKS

Fill the bottom of the vessel with a 1 1/2-inch layer of small rocks to collect the water drainage.

## 2ND LAYER: SHEET MOSS

Soak dried sphagnum or sheet moss in water for a few seconds and squeeze out any excess liquid. Place the slightly damp moss onto the rocks, making sure it fills the entire surface area

## FILL WITH SOIL & PLANT YOUR SUCCULENT!

Scoop the soil into a funnel and fill the container with several inches of it. Plant your plants and don't over water!

## DECORATE YOUR JAR

Use book pages, stamps, ribbon, paper punches, & more to decorate your terrarium.

# PILL BOTTLE CRAFTS

## PRACTICAL PILL BOTTLES

---

### STORAGE CONTAINERS

toothpicks, straight pins, needles, thumbtacks, headphones, cotton balls, Q-tips, safety pins, and more!

### TRAVEL SIZED SEWING KITS

Insert a couple different sized needles and safety pins, a couple of buttons, a needle threader and several others to create your kit.

### MINIATURE FIRST AID KITS

Band aids, tweezers, alcohol pads, antibiotic ointment packs, burn relief pack, Benadryl, and ibuprofen.

### HIDE-A-KEY

make a great weather-proof container. With a rock to disguise the top, you can tuck it into a rock garden or partially bury it to hide it's location.

### RAINBOW CRAYONS

Instead of wasting those broken pieces, melt them into a pill box to make these awesome rainbow crayons.

# COFFEE GROUNDS

DRINK YOUR COFFEE AND  
CRAFT WITH IT TOO!

---

## EXFOLIATING SCRUB

The caffeine in coffee helps stimulate skin cells and promotes healthier, tighter skin. Simply add coconut oil, vitamin E oil or jojoba oil to coffee grounds and massage it on in the shower

## ADD IT TO YOUR COMPOST

Coffee grounds can help increase nutrient levels and decrease the greenhouse gas emissions of your compost

## BUG REPELLENT

Coffee grounds contain compounds that are toxic to many insects. You can use your coffee grounds to repel mosquitos, fruit flies, beetles and other pests

## ELIMINATE ODOR

Coffee grounds can help absorb and eliminate odors from your refrigerator, gym bag or smelly shoes. Using them as a hand scrub can also help remove lingering smells from onion or garlic

## USE IT AS NATURAL DYE

Used coffee grounds are a great natural alternative to harsh chemical dyes. Simply rewet them and use them to dye paper or fabric or darken brunette hair

# ARTIST TRADING CARDS

CREATE MINI WORKS OF ART TO SHARE, TRADE AND DISPLAY

## A FEW SIMPLE RULES

2 1/2" X 3 1/2 inches in size  
Fit inside a trading card holder  
Make plenty to trade. Create cards from old books and papers or start with a blank slate.

## THE MEDIUM

ANY medium that can fit on the trading card will do. Painting, drawing, inking, sewing, mixed media, collage - anything goes!

## THEMES

Create several of the same design, choose a theme for your own or join a themed swap.

## PAPER AND COLORING

Any type of paper works - recycled books and paper work great. Simply dye them - India Ink, Stamping, Watercolors, flowers/plants/tea

## EMBELLISH

Ribbon, sequins, old jewelry, colored paper, quotes/pictures, shrink plastic, stickers & gems, fabric, sewing, beads, etc.

# HOLIDAY PAPERCRAFTS

CREATE DIVERSE CRAFTS USING  
OLD BOOKS

## CARDS AND GIFT TAGS

Old book pages, some colored paper, embellishments, rubber stamps, paints, paper punches and ribbons.

## FOLDED BOOK TREES/ART

Use a pattern or make your own - folded book art is fun and easy and can fit any theme or holiday.

## WREATHS

Create using old books, ribbons, and even natural materials. Can be made year round for different seasons and holidays.

## GARLANDS

Garlands are a year round home decor item celebrating many holidays and seasons. Books are a simple, fun medium for creating garlands.

## ORNAMENTS/DECOR

Easy ornaments can be made using cookie cutters. Cut 6-8 of the same shape and glue or sew down the center, embellish, add a string and hang.

# TRASHY FASHION

TURN YOUR OLD CLOTHING,  
COSTUMES AND OTHER "TRASH"  
INTO NEW, WEARABLE ART

## GATHER SUPPLIES

Anything goes! Collect old clothing - big or small, accessories and embellishments. Don't forget bondable interfacing. More than just old clothing works.

## GATHER YOUR TOOLS

Sewing machine, thread and needles. Hot glue gun and other adhesives. Digital die cut machine and templates.

## DESIGN

Take time to design your new fashion on paper or digitally

## CREATE

Sew, glue, and create your piece

## SHARE
