 Fowler Park

Join us at Fowler Park to discuss *Below the Edge of Darkness: A Memoir of Exploring Light and Life in the Deep Sea* by Edith Widder. We'll meet at the pavilion circled in blue below, between the soccer fields and tennis courts. We will begin our walk there and walk approximately 1 mile. The trail will loop us back to where we first met to discuss the book at length.

Please bring water and wear suitable footwear and clothing. The Bookish Trailblazers Book Club will meet in Conference Room Slide 1 of the Sharon Forks Library if the weather is unfavorable. Registrants will be notified of any schedule changes the day before the program.

Below is a map of Fowler Park. Pavilion 1 is circled in light blue.
