

FREEMAN DYSON

NIMA ARKANI-HAMED

This special event brings together two remarkable theoretical physicists affiliated with the Institute for Advanced Study to discuss how science has changed from the 1940s to today. Dyson will sign copies of two of his books following the talk.
Community Room

Tuesday, March 8, 7 p.m.

HISTORY OF SCIENCE

The History of Science series is presented with support from the National Endowment for the Humanities. Any views, findings, conclusions or recommendations expressed in this programming do not necessarily represent those of the National Endowment for the Humanities.
