Homework for Week 1

DRAWING ASSIGNMENT FOR THIS WEEK
Each day, Monday through Sunday, set aside 5 or 10 minutes to sit quietly and draw. Here are the objects to focus on - and remember - we are not focusing on the object - we are practicing "seeing without an object". Sounds weird - I know. But we are such a word-oriented culture!

OK here is the list of 7 objects to draw.
CHAIR, TABLE, TREE, LAMP, FENCE, WINDOW, INDOOR PLANT

At some point in your drawing practice session - notice other “things” that intersect the object. Just notice and if you have a minute, gently draw some intersections.
