

Summer Reading 2016

My Adventures with My Favorite Bookworm

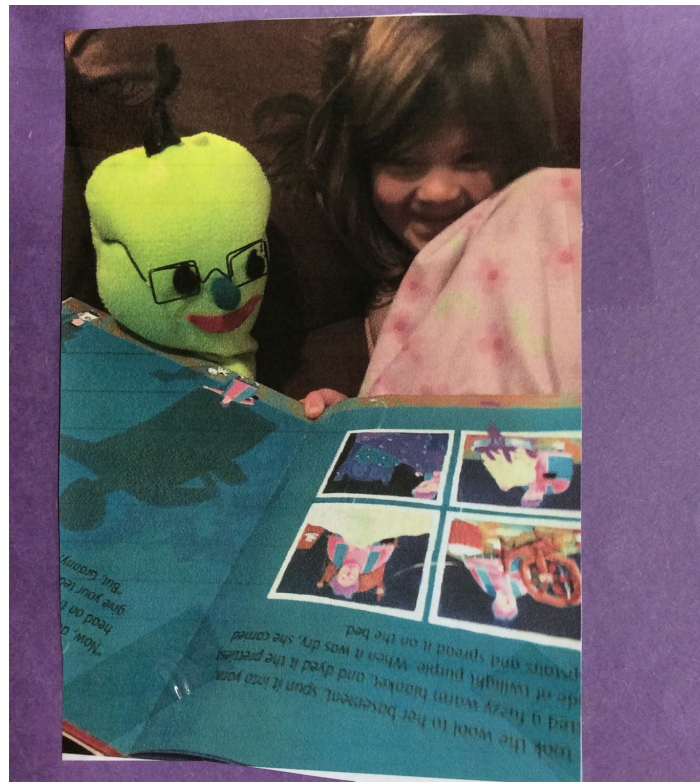

Student's name:

IMPORTANT MESSAGE FROM MRS. MARTELLINO:

While you get energy from the food you eat, Wiggles gets energy from reading books. After all, Wiggles is a bookworm and Wiggles not only loves to devour books, Wiggles needs to devour books!

This summer, your job is to read to your Wiggles friend every day. Just like you need to eat healthy food and drink water every day, Wiggles needs to be fed daily too!

Use this journal to record your summer of reading with Wiggles. Please keep your journal in a special spot in your home so you will remember to log in favorite books and authors. I will be asking you to share this journal with me when you return to BES as a first grader. The data I obtain from your journals will help me to obtain a grant to cover the funds necessary so that next year's kindergarten students can also adopt a Wiggles friend.

Tracking healthy "Nutrition" for Wiggles!

Wiggles needs to devour at least one book a day. Record Wiggles eating habits! Wiggles needs a balanced diet of fiction and nonfiction.

STAY MOTIVATED BY SHARING!

We would love to have you post **WIGGLES SIGHTINGS** this summer. Whenever you take Wiggles with you to the public library, or a bookstore, or reading in a favorite nook, snap a photo and share it on our Padlet wall! When Wiggles especially enjoys a particular book, take a photo of the book cover and share it on the Padlet Wall. By sharing, you will motivate your classmates to continue to read all summer long!

Suggestion: Bookmark this link on your home computer and phone so that you will have easy access to it!
